ULTRA LIGHT

Aluminum frame, steel blade. Easy to maneuver. The main housing is made from super thick 5052 Aluminum making the unit a full 125 pounds lighter than most other gas units running in the same class.

YOUR CHOICE OF ENGINE

Engines from 23 HP - 35 HP. The Hurican works great for air duct cleaning, insulation removal, leaf pick up, pretty much anything that can be sucked up.

EXTREME SUCTION

Take the suction of a duct truck anywhere you need it.

RUNS IN YOUR VAN OR OUT IN THE FIELD

The Hurican gas powered vac system is powerful enough to leave in your van or, for the really big jobs, portable enough to roll down a ramp and use when extreme suction is critical to the job.

FILTER OPTIONS

Your choice of a single bag or, our unique filter box system which uses smaller bags.
